Scope and Content:

This collection consists of materials compiled and used by a marching band and concert band in Sprout Brook, New York, at the turn of the century.

The materials include packets of parts, to each song, for the instruments used in marching bands; parts of many songs collated, by the band director, into small books for each instrument; and booklets of songs for individual parts published by music companies. In addition to marching band music in smaller formats, there are packets of full length music pieces for various instruments in a concert band; parts of songs collated by the band director into larger books for each instrument; and booklets of songs for individual parts published by music companies. Furthermore, there are band instrument instruction booklets, which include both exercises in basic music theory and songs.

Instrument parts include violins, piccolo, Eb cornet, Bb cornets, Bb clarinet, Eb alto saxophones, Bb tenor saxophones and horns, Bb Baritone, Eb tuba, Bb tuba, and drums.

Materials in this group are dated from 1879-1905.
